Thank you for your interest in the post of Stonemason with Historic Environment Scotland, based at St Ann's Maltings. This is a permanent and pensionable appointment.

You will be responsible for the day-to-day masonry maintenance works carried out by the MCU (Monument Conservation Unit) Team under the instruction of Line Manager, ensuring that all Health & Safety Regulations are adhered to.

About us

We are the lead body for Scotland's historic environment; a charity dedicated to the advancement of heritage, culture, education and environmental protection. We're at the forefront of researching and understanding the historic environment and addressing the impact of climate change on its future. We investigate and record architectural and archaeological sites and landscapes across Scotland and care for more than 300 properties of national importance. We have a People Strategy, which is an overarching strategy to ensure we support and develop staff within the organisation.

Our Vision

Our vision is that Scotland's historic environment is cherished, understood, shared and enjoyed with pride by everyone.

Our Priorities

- The historic environment makes a real difference to people's lives
- The historic environment is looked after, protected and managed for the generations to come
- The historic environment makes a broader contribution to the economy of Scotland and its people
- The historic environment inspires a creative and vibrant Scotland
- The historic environment is cared for and championed by a high performing organisation.

Overview of the post and information about the team

Conservation Group Edinburgh Region includes Edinburgh Castle, The Palace of Holyrood House, Holyrood Royal Park and Gardens, Bute House, Longmore House and Trinity House. The MCU Teams are generally based at two main locations – Edinburgh Castle and St Ann's Maltings at Holyrood but remain fluid and merge when large scale works demand and you will work with all trades under the supervision of MCU Line Management to ensure customer satisfaction for both internal and external customers.

You will be an integral part of the MCU Team who deliver the annual programme of works and provide support to visitor services & Royal Household ensuring that Edinburgh Castle & Holyrood Palace are maintained to a five-star level.

Working Hours

The normal weekly hours of work will be 37 hrs. The working year will cover the calendar year 1 April to 31 March.

Current working pattern is Mon – Thurs 8 hrs per day, Friday 5 hrs.

Starting and finishing times will be fixed by local management after discussion with the MCU and not later than 1 April of that working year.

Key responsibilities, duties and objectives

- To work within the masonry team to meet the masonry work programs based at the Palace Holyrood House and Edinburgh Castle;
- To prepare the Palace of Holyrood House for the Lord High Commissioner & Royal visits that take place annually;
- To undertake masonry works to a high standard of finish that is required within the Edinburgh Region;
- Knowledge & experience of working with traditional building materials;
- Knowledge & experience of working scaled drawing & plans; and
- Knowledge & experience of dressing stone within a workshop environment.

Post Competencies

You will be assessed against these competencies during our selection process.

Core Competencies:

- Delivering Excellent Service – Demonstrating a commitment to quality services
- Teamwork - Contributing to and supporting working together
- Planning and Organising - Putting plans and resources in place to achieve results
- Communication - Communicating appropriately and clearly
- Knowledge & Expertise - Applying and developing knowledge and expertise to achieve results - (See below for specific criteria)

Knowledge, skills and experience

You will be required to demonstrate that you meet the requirements and qualifications below as part of the selection process.

Essential requirements:

- Good all-round understanding and practical experience of using lime mortars;
- Good understanding and practical experience of the conservation, repair of historic monuments and/or listed buildings;
- Competent in all aspects of stone cutting, hewing practices and techniques;
- Competent in stone repair, indenting and the various practices and techniques used; and
- Competent in building of stonework of both random rubble and ashlar work.

Desirable requirements:

- Knowledge of traditional masonry systems.

Qualifications & Professional Memberships:

- Time served tradesperson with city & guilds advanced craft in stone masonry or SVQ equivalent.

Health Screening:

Given the nature and working environment of this role; a pre-employment health screening will be undertaken for the successful post holder – any offer of employment will be subject to satisfactory checks.
