Application Guidance Notes

Thank you for your interest in working for Historic Environment Scotland.

To give you the best possible opportunity of obtaining a position with us, these notes will help you to create your application and to give you information about working for us.

Please take a few minutes to read through the information before filling out the application form.

Eligibility to work for us

As a Public Service organisation, we welcome applications from all nationalities. We ask that anyone wishing to apply for one of our advertised posts ensure that they have the right to work in the UK. If you do not hold the right to work in the UK and require a Skilled Worker visa sponsorship, please list this on your application. Jobs that are eligible for the Skilled Worker visa will be noted on the job description.

EEA citizens granted status under the EU Settlement Scheme (EUSS)

From 1 July 2021, the majority of EEA citizens will prove their right to work using the Home Office online right to work service. Those who have made a successful application to the EUSS will have been granted their immigration status digitally and can only prove their right to work using Home Office online service 'prove your right to work to an employer' available on GOV.UK: <https://www.gov.uk/prove-right-to-work>.

If an EEA citizen has been granted 'Settled Status' by the Home Office, they will have a continuous right to work, in the same way as someone with Indefinite Leave to Enter / Remain status.

If an EEA citizen has been granted 'Pre-Settled Status' by the Home Office, they will have a time-limited right to work and you must carry out a follow-up check. The Home Office online service will advise when a follow-up check must be carried out.

If you are unsure of the documentation you require to confirm your right to work in the UK, please see the eligibility section in this document or contact the UK Border Agency on 0870 606 7766, www.ukba.homeoffice.gov.uk.

If you are invited to an interview, we will ask that you bring evidence showing your right to work in the UK (photocopies are not accepted) with you.

The application form

Making a good impression is vital as your application form will be your first point of contact with us. It will be used by the recruiting team to decide to invite you for an interview; therefore it is essential that you complete it as fully as possible. This applies equally to our internal candidates too as we cannot make any assumptions about your abilities and do not take into account any previous applications you have made.

If you are completing the application form by hand then please ensure you complete the document in black ink. This will help us if photocopies are required. Please fill in all sections of the application form and mark 'not applicable' or N/A to sections or competencies not required for the post.

If you are submitting a typed/handwritten application form then please ensure you allow enough time for the postal service. The Historic Environment Scotland cannot be held responsible for application forms lost or delayed in the post.

Essential & desirable criteria

The job description in your application pack lists all the essential & desirable criteria for the post you are applying for and we ask that you provide one example, using no more than 200 words per competency that best illustrates how your experience is relevant. **The Knowledge and Experience competency allows a word count of 1,000 words.**

When considering your competency, you should be telling your clear story with a beginning, a middle, and an end. Make sure that the examples are specific and does not talk about your role in general terms.

You can consider to break down your examples using the STAR technique

- Situation – give a brief outline of the context
- Task – What did you want to achieve? What were your aims / objectives?
- Action – What did you personally do?
- Result – What was the result?

Failing to demonstrate that you meet the minimum criteria, could mean that you are not invited for an interview.

In some cases, the application process might include completion of a Statement of Competence, rather than separate competencies. This section should be used to demonstrate how you meet the essential and desirable requirements of the role, providing examples where possible. In most cases, the word count for this is limited to 1,500 words.

Please note: Historic Environment Scotland operates a Guaranteed Job Interview Scheme which applies to all posts and guarantees an interview to any applicant with a disability provided they meet the minimum criteria for a job vacancy.

The minimum criteria are all the essential criteria (competencies and others) listed in the enclosed job description.

The job description will also contain the knowledge, skills, experience and qualifications that an ideal candidate will have to enable them to undertake the job.

You may find it useful to keep a copy of your submitted application form to refer to if you are invited to an interview.
